Topics Discussed:

We discussed about the duties that each one of us would do regarding Chapter 4.

Decisions Made:

According to the tasks assigned by the professor, this week we have to complete the user scenarios describing the functionalities of the system. Furthermore, following the professor's requirements, we have to restructure the Requirements Specification document which we submitted previously as well as add in some missing parts.

Tasks Assigned:

Jorgel had the task of writing the use cases and designing the use cases diagram and Erida had to restructure and edit once more everything and also the functional requirements.

Giuliano and Elvi were assigned for revising the User Scenarios.
